INTRODUCTION AND BACKGROUND OF ORGANIZATION

Please summarize in a short paragraph the purpose of your agency. Briefly explain why your agency is requesting this grant, what outcomes you hope to achieve, and how you will spend the funds if a grant is made.

New Growth In Christ Christian Center is applying for this grant on behalf of Growth International CDC, which is a newly created community development corporation in our organization. Growth International is a CDC created to provide educational, physical, mental, spiritual development opportunities for youth and adults; enhancing the quality of housing for people of all ages and income levels through economic development; and to develop tomorrow's business leaders. This project will provide a space for the community adults and youth and to participate in organized sporting events and supervised free play such as basketball, volleyball, tennis, training and conditioning. The outside covered venue would also serve as a meeting place for the community to discuss activities/programs that will enhance living quality in the Greater Memphis area.

Narrative - Funding Request

Please describe the program/project for which you seek funding and include how it will benefit the general welfare of residents in Shelby County, TN.

It will provide the adults and youth of the community an avenue to enjoy supervised recreation, mentorship opportunities and skill acquisition. The community will also have a venue for meetings and gatherings to discuss community enhancements.

General Operating Support

If applying for general operating support, briefly describe how this grant will be used.

Project Support

Please explain the specific project including a statement of its primary purpose and the need or problem that you are seeking to address.

The Growth Community Complex will serve area residents in the way of physical, mental and social support. This community does not have public recreational facilities in a 5-10 mile radius. The local library (East Shelby) closes at 5:00 pm daily which does not adequately serve youth without a computer or internet access in the home. The Community Complex will also serve as a community meeting place. The following resources will serve to plug those gaps in service. * Repaving of outside basketball court * Covering of court for inclement weather * Amplification system to support microphones * Bleachers for seating * Youth playground * Walking trail (clearing of trees) * Computer lab to support after school learning

How does the project contribute to your organization's overall mission?

to enhance the community and Greater Memphis/Shelby County area by providing opportunities and resources for growth in every area
